

#OG2020CHALLENGE

Dream Big - Take Action

In 2020 we are doing what our team at Operation Gratitude does every day, focusing on **actions**, and what we can **DO** to **make a difference** to continue to **bridge the civilian-service divide**, connecting grateful Americans with their **Military** and **First Responder heroes**. We've started a **year-long campaign** called the **#OG2020Challenge** to honor service men and women and their families. We are asking for **individual commitments** from our team, volunteers and supporters across the country.

How Can You Get Involved?

1. **Define** your **personal #OG2020Challenge** and what you are going to **DO** to say thank you to those who serve and help bridge the civilian-service divide. Hint... for inspiration and examples follow OG social media!
2. **Post a picture** of yourself or your group, your personal commitment and don't forget to use the hashtag #OG2020Challenge and tag Operation Gratitude.
3. **Challenge** a family member, friend, or colleague to join!
4. **Donate** or create a **fundraising team page**, set your goal, and share the link with your family, friends, colleagues, and community!
