Operation Gratitude is a nation-wide nonprofit dedicated to providing grateful Americans across our country with opportunities for hands-on volunteerism in support of military, veterans and first responders. In March of 2003, Operation Gratitude sent its first four care packages to deployed service members in Iraq. Since its inception, the organization has encouraged Americans across the country to express their gratitude and lift the spirits of millions of deployed troops, recruit graduates, veterans, military families, and first responders. The volunteers of Operation Gratitude are a generous and spirited grassroots network of Americans joined in common cause to say “Thank You” to all who serve our great nation.
